Welcome To Gabbie Stadium

The Home Of The Demons

SPONSORED BY RADIO RENTALS

Today we welcome back to Gabbie Stadium Canberra Arrows, knowing full well that a win is a must for us, if our aim is to steer clear of the relegation zone. As such it is not going to be an easy game and with the Arrows having shown considerable improvement on last season's performance, it will be even more difficult to collect both points. So far however the Arrows have never beaten us yet in League competition, since our admittance into the P.S.L. and with home ground advantage I cannot see Canberra going home with both points, even though they have an excellent record for their AWAY matches.

Coach George Murray has the team in excellent condition and they will be still trying to make the top four. The O'Shea brothers, Tony Brennan and Harry Williams, to name a few of the Arrows squad, are performing well and overall this team in defence and attack, is a force to keep reckoning with. No doubt the team and coach are still fuming over the 5-1 mauling they received from Heidelberg and they will come back with a vengeance for this humiliating defeat in front of their home crowd.

However in their recent games against the Slickers and the Gladiators our team certainly proved that they are not relegation candidates and can play just as good, IF NOT BETTER, than any of the top teams. They know what is at stake for the team and Club and will give our opponents this afternoon a torrid time. As supporters we have been very fortunate lately to see our team in action at local grounds. There are only two more interstate games to be played for our team, in Melbourne and Brisbane, which will ease the burden of travelling away on the players and playing virtually at all their venues in front of their own following. Next week we play Marconi and it won't be 9-1 at Bossley Park, but a pleasant surprise to the DEMONS followers. Then another scalp of Sydney Olympic at home, followed by an away game to Heidelberg. Our final home game is against Footscray and last competition game against Brisbane Lions away.

So come along and support the team and its players in those final vital fixtures and you can do this by starting firing them on this afternoon.

The Demons extend a cordial welcome to all Canberra visitors and hope they enjoy their stay throughout the day on our ground and in our licensed Club.

Thinking of a Motor Cycle for work or fun
THINK YAMAHA FROM

Brian Collins Motor Cycles

A BRIAN COLLINS MOTOR CYCLE IS A BETTER MOTOR CYCLE

THIS IS IT!!

Eight weeks from today one of the greatest soccer events in the world will kick off in six cities of Australia, i.e. the WORLD YOUTH CUP or better known as the FIFA COCA COLA CUP, and all eyes of the world will be on our country. Television will carry Australia into the homes of millions of people and soccer enthusiasts around the globe and will either criticise or praise our country for its organisation of this enormous football tournament. As such I wish the A.S.F. and its main organiser, Mr. Brian Emmerly and his working committee all the success in their final preparations and the running of this tournament.

On behalf of our Club I also welcome the 15 visiting nations who will provide us followers with a brand of soccer most probably never seen before in Australia. Just because this tournament is called World Youth Cup, don't think for one moment that they are just kids playing out there. The majority of those youngsters are full-time professionals, playing in top clubs and competitions of their respective countries and many have international experience.

The average follower perhaps doesn't realise how much organisation is required to stage such an event. They only wait for the moment the teams take the field and start the ball rolling. They have no idea of the amount of work involved to provide accommodation, transport, training grounds and, unfortunately, in today's world and times, above all, security. Not only for the players, but dignitaries and officials representing their country as well.

Having seen only a small part of the security provided for the participating nations a few days prior to the World Cup in 1974 played in West Germany, I wonder if we have a police force strong enough in quantity to guard all the hotels, stadiums and for crowd control. Day and night all stadiums were guarded throughout the three weeks after the 1972 disastrous assault and killing of the Israeli Olympic team in Munich. West Germany had certainly learned their lesson and did not take any chances in the World Cup. Even though I don't expect some terrible disaster like this to ever happen in our country, the security nevertheless has to be there at all times, even if it is to protect the teams from over enthusiastic followers and media.

Away from the organisation, we as followers, can expect a feast of soccer. Australia will be playing against Argentina, the present champions and holders of the Cup, England and Cameroon. This round is to be played in Sydney and the Argentina-England game in Newcastle. Group A consists of the U.S.A., Uruguay, Poland and Qatar, to be played in Brisbane. Group B: Brazil, Romania, Italy and South Korea in Melbourne, and Canberra with Adelaide share Group C, consisting of West Germany, Mexico, Spain and Egypt. From then onwards the winners and runners-up of those groups will play in various cities, with the final at the S.C.G. in Sydney on Sunday, 18th October.

Even though I cannot see Australia reaching the finals, for our players it will be a great and wonderful experience to play against the cream of football nations and the champions, Argentina.

We, as a Club, are proud to have one Australian representative in the squad, our own Robert Wheatley, and we wish him and his team mates all the best and good luck in their games with Australia giving a good account of themselves in this World Cup Youth series.

I appeal to you as BLACKTOWN CITY AND DEMONS supporters to give AUSTRALIA all your support during this tournament and fire our players on to greater deeds. Certainly don't miss out on this great soccer event and get in early for your tickets. This time you can watch the real "REAL FOOTBALL".

P.S.L. YOUTH

The games against Leichhardt and Sydney Slickers resulted in further losses for the Youth team.

Against Leichhardt, after a frightful first half display, the lads picked themselves up well to pull a goal back early in the second half and continued to dominate the game, throwing everything into attack until the last five minutes when Leichhardt squeezed in two more goals with our defence stretched having thrown players forward looking for the equaliser. Stephen Kean played well in goals as did stopper Dave Taylor and sweeper Mark Dodd.

It is interesting to note that on the day Leichhardt had seven players on the park with first team experience which included four over-age and three under 19 players, at the same time on the same day their first team included two 18 year olds both having been justifiably promoted from the Youth team at the expense of more experienced players. One of these players further justified the faith shown in him by the coaches in giving him a chance in the top grade and was selected in the "Soccer World" P.S.L. team of the week.

Against Sydney Slickers we found ourselves 2-0 down by half-time through two defensive blunders, but again improved in the second half to pull one back by Steve Pollard from a Carlos Ortega free-kick. Following continued pressure Steve Pollard took the point off the wrong side of the post following a good cross from John Calichi. David Pruss, David Taylor and Barry Hoare played well for the team which included Mike Milovanovic and Carlos Ortega playing in their first game since injury forced them on the sidelines.

During the week we were invited to play a friendly game with a Penrith select side, which is being prepared to play in a charity game at Cook Park against the Australian Youth Team. The Penrith side included current players and ex-players of Blacktown City, Tony Rassmussen Dan Campbell Neil Manning and Mike Harris. Also from Marconi Youth Team the promising Tom McColluch.

In an interesting and hard-fought game in which no quarter was given by either side, in fact one player had to leave the field with a broken nose, our team put in a fine performance with the final scoreline 2-2.
